Responsibility of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting

Principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a

matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. The companies (Auditors report) order, 2020 (as amended) (The order) issued by the central government of India in terms of Sub Section (11) of Section 143 of the companies Act 2013 is applicable to this company, refer to our separate report in "Annexure A".
2. As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - c. The Balance Sheet and the Statement of Profit and Loss dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of written representations received from the directors as on 31 March, 2022, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2022, from being appointed as a director in terms of Section 164(2) of the Act.
 - f. The Company is exempted from getting an audit opinion with respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls as per vide notification dated June 13, 2017; and.
 - g. With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses

iii. There is no amount required to be transferred to investor education and protection fund in accordance with the relevant provisions of the Companies Act, 2013. Hence delay in depositing the amounts to the said fund is not applicable.

iv.

- a) The management has represented that to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entity (intermediaries), with the understanding directly or indirectly lend or invest in other persons or entity's identified in any manner whatsoever by or on behalf of the company (ultimate beneficiaries) or provide any guarantee, security or the like on behalf of the ultimate beneficiaries;
- b) The management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (Funding Parties), with the understanding whether recorded in writing or otherwise, that the company shall directly or indirectly lend or invest in other persons or entity's identified in any manner whatsoever by or on behalf of the Funding Party (ultimate beneficiaries) or provide any guarantee, security or the like on behalf of the ultimate beneficiaries.
- c) Based on the audit procedures that have been considered that are reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (i) and (ii) of rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- d) During the financial year, the company has not declared any dividend, hence reporting under these clauses is not applicable

Notes forming part of the Financial Statements

CORPORATE INFORMATION:

M/S. DIGILOGIC SYSTEMS PRIVATE LIMITED(the company) to carry out the business of automatics test equipments, radio frequency, intermediate frequency record and replay systems radar testing electronic war fare test system avionics, design development, fabrication and supply of software based data acquisition, instrumentation, test beds, simulation and real time software systems, automated test equipments, ground check-out systems, bench simulators, ruggedized and industrial grade personal computer solutions, MIL-STD-1553B and ARNIC-429 products for Defense & Aerospace Industry.

As of March 31, 2022, the company directors owned 100.00% of the Company's equity share capital and have the ability to control its operating and financial policies. The Company's registered office is in Hyderabad.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

a. Basis of preparation of financial statements:

Financial statements are prepared under the historical cost convention, on accrual basis of accounting in accordance with the accounting principles generally accepted in India and in compliance with the provisions of Companies Act 2013, and comply with the mandatory accounting standards specified in under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014.

The preparation of financial statements, in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Financials are rounded off to thousands.

The Financial statements of the company are presented in Indian Rupee ("INR"), which is company's functional currency and the values are rounded to nearest thousands except where otherwise indicated.

b. Changes in accounting policy

During the year ended 31st March 2022, there are no changes in the accounting policies

c. Use of estimates

The preparation of financial statements requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities as at the date of the financial statements and reported amounts of income and expenses during the year

d. Fixed Assets

Fixed assets are stated at cost, less accumulated depreciation / amortization. Costs include all expenses incurred to bring the assets to its present location and condition. Depreciation on Fixed Assets is calculated using the WDV Method.

The Salvage value and useful life of fixed assets is estimated as follows.

Asset	% of Salvage value estimated	Estimated Useful life(in years)
Motor Car Vehicles	2% of original cost of the asset	8
Furniture & Fittings	2% of original cost of the asset	10
Office Equipment	2% of original cost of the asset	5
Computer	2% of original cost of the asset	3
Plant and Machinery	2% of original cost of the asset	15
Building	2% of original cost of the asset	5

e. Depreciation / Amortization

Depreciation / amortization on fixed assets is charged so as to Write-off the cost of the assets over its useful life as per schedule II of the Companies Act 2013 using the WDV method of Depreciation.

f. Investments

Investments that are readily realizable and intended to be held for not more than a year have been classified as current investments. All other investments have been classified as long-term investments.

Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value has been made to recognize a decline other than temporary in the value of such investments.

g. Leases

Where the company is lessee

Leases, where the lessor effectively retains substantially all the risks and the benefits of ownership of the leased assets are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight line basis over the lease term.

h. Impairment of tangible and intangible fixed assets

The carrying amounts of assets have been reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors.

An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

i. Employee Benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognized during the period when the employee renders the service. These benefits include compensated absences such as paid annual leave, overseas social security contributions and performance incentives. Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related

services are recognized as an actuarially determined liability at the present value of the defined benefit obligation at the balance sheet date.

j. Revenue recognition

The company generally follows mercantile system of accounting and recognizes significant of income on accrual basis.

a) Services:

The Company recognises revenue when the significant terms of the arrangement are enforceable, services have been delivered and the collectability is reasonably assured. Revenue from maintenance contracts is recognised ratably over the period of the contract using the percentage of completion method. When services are performed through an indefinite number of repetitive acts over a specified period of time, revenue is recognised on a straight-line basis over the specified period unless some other method better represents the stage of completion.

b) Products:

Revenue from products are recognised when the significant risks and rewards of ownership have been transferred to the buyer, continuing managerial involvement usually associated with ownership and effective control have ceased, the amount of revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Company and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

k. Expenditure

Expenses are accounted on the accrual basis and the provisions are made of all known losses and liabilities.

l. Deferred Tax

Tax expense comprises of current and deferred tax. Current income tax has been measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each balance sheet date the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

m. Provisions, Contingent liabilities and Contingent assets

A provision is recognized when the Group has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognized in the financial statements. A contingent asset is neither recognized nor disclosed in the financial statements.

n. Cash and cash equivalents

The company considers all highly liquid financial instruments, which are readily convertible into cash and have original maturities of three months or less from the date of purchase, to be cash equivalents.
